

**DERBYSHIRE
VOICE**

What is the Derbyshire Voice app?

Derbyshire Voice is a mobile phone app where victims of crime and traumatic events who live in Derbyshire can share their experience, views, ideas and opinions about the impact of crime, support services and what needs to change.

Why should I take part?

Derbyshire Voice enables you to have a voice and directly contribute to improving our work helping victims of crime. Participation will be mainly via short surveys done in a few minutes on your phone. Participants will be rewarded financially for taking the time to fill out surveys.

Can I receive support via the Derbyshire Voice app?

No, support will not be provided by the app. Should you need any support please get in touch with Derbyshire Victim Services (call 0800 612 6505 or Text 'DVS' to 82228), or visit www.derbyshirevictimservices.co.uk Derbyshire Voice will give us more information to help keep improving all of these support services and meet the needs of victims of crime in Derbyshire.
